Dear Cordes Member:

On behalf of the Fredrick C. Cordes Eye Society, I would like to invite you to present at this year's Annual Scientific Meeting which will be held on Friday, **April 4, 2008**.

The success of the meeting depends upon alumni participation. Thus, I urge you to consider sharing your perspective, whether it is through an interesting clinical observation, scientific study, or historical reference.

The conference will be held in the Giannini Auditorium at the Bank of America Building. Each presentation will be limited to 15 minutes, with 5 minutes for questions and discussion. This year we are very fortunate that the Hogan Lecture will be given by Jonathan C. Horton, M.D. and the Williams lecture will be given by Mr. Roger Martin.

Please respond as soon as possible by e-mail or by returning the bottom half of this letter. Topics must be submitted no later than **February 15, 2008**. Thank you for your continued support and participation. We look forward with great excitement to this year's conference.

Sincerely,

Alejandra de Alba Campomanes, MD, MPH  
Vice President and Program Coordinator, 2008
